

Now Offering The “Liquid Facelift”

Dr. Marble’s office is now offering the “Liquid Facelift”

Relax, Refresh, Replenish your skin with the “Liquid Facelift”. A combination of Botox[®] and youth-restoring fillers provide you with a no downtime, non-surgical uplift.

Imagine having younger looking skin! Soften well-defined wrinkles and creases between the nose, mouth and chin with our FDA-approved, safe, long lasting cosmetic dermal fillers. Along with Botox[®] for forehead wrinkle reduction, you can help restore a natural, more youthful appearance to your skin.

Prices are \$750 and up.*

We are all unique. Call for a confidential consultation appointment to discuss what combination of treatments is the best solution for you.
